

Black, black widow, baby

Fill in the gaps

Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna (1) ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you breathe for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're both down to play then (2) you	Wake up and dream for it
go astray	Till it's got you gasping for air
We went (3) nothing to something, liking to loving	And you lean for it
It was us against the (4) and now we just fucking	'Till they have a CAT scan and check on your mind
It's like I loved you so much and now I just hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling stupid for all the time that I gave you	Now it's me-time believe that
I (5) all or nothing for us ain't no place in	If it's yours when you want it
between	I wouldn't promise I need that
Might, might be me believing what you say that you never	Till I'm everywhere that you be at
mean	I can't (10) back go quick
Like it'll last forever but now forever ain't as long	Cause this here a fatal attraction so I take it all or I don't want
If it wasn't for you I wouldn't be (6) singing this	shit
If it wasn't for you I wouldn't be (6) singing this song	shit You used to be thirsty for me (Right)
song	You used to be thirsty for me (Right)
You were (7) from my last but now	You used to be thirsty for me (Right) But now you wanna be set free
You were (7) from my last but now you got it mirrored	You used to be thirsty for me (Right) But now you wanna be set free This is the web, web that you weave
