## Fill in the gaps

Midnight, you come and pick me up, no headlights  
A long drive, (1)\_\_\_\_\_ end in burning flames or  
paradise  
Fade into view, oh  
It's been a while since I have even (2)\_\_\_\_\_ from you  
(heard from you)  
I should just tell you to leave cause I  
Know exactly where it leads but I  
Watch it go round and round each time  
You got that James Dean daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go (3)\_\_\_\_\_ down we come  
back every time  
Cause we never go out of style, we never go out of style  
You got that long (4)\_\_\_\_\_ slicked back, (5)\_\_\_\_\_  
t-shirt  
And I got that good girl faith and a tight little skirt  
And when we go crashing down, we come back every time  
Cause we never go out of style, we never go out of style  
So it goes, he can't keep his wild eyes on the road  
Takes me home, lights are off he's taking off his coat  
I say, "I've heard that you've been out and about  
With (6)\_\_\_\_\_ other girl, some other girl"  
He says "What you've heard is true but I

Can't stop thinking about you and I"  
I said, "I've been there too a few times"  
Cause you got (7)\_\_\_\_\_ (8)\_\_\_\_\_ Dean  
daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down we come back every time  
Cause we never go out of style, we never go out of style  
You got that long hair slicked back, (9)\_\_\_\_\_ t-shirt  
And I got that good girl faith and a tight little skirt  
And when we go crashing down, we come back every time  
Cause we never go out of style, we never go out of style  
Take me home  
Just take me home  
Just take me home  
You got that James Dean daydream (10)\_\_\_\_\_ in your  
eye  
And I got that red lip classic thing that you like  
And when we go crashing down we come back every time  
Cause we never go out of style, we never go out of style
