

Hello by Adele

Fill in the gaps

Hello, it's me
I was wondering if after all these years
You'd like to meet, to go over everything
They say that time's supposed to heal ya
But I ain't done much healing
Hello, can you hear me?
I'm in California (1)_____ (2)_____ who
we used to be
When we were younger and free
I've forgotten how it (3)_____ before the world fell at our
feet
There's such a (4)_____
(5)_____ us
And a million miles
Hello from the other side
I must've called a (6)_____ times to tell you
I'm sorry, for (7)_____ that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Hello, how are you?
It's so typical of me to talk about myself
I'm sorry, I hope that you're well
Did you (8)_____ make it out of that town
Where (9)_____ ever happened?

It's no secret
That the both of us are (10)_____ out of time
So, (11)_____ from the (12)_____ side
I must've called a (13)_____ times to tell you
I'm sorry, for everything that I've done
But when I call you (14)_____ seem to be home
Hello from the outside
At least I can say that I've tried to tell you
I'm sorry, for (15)_____ your heart
But it don't matter, it clearly doesn't tear you (16)_____
anymore
Oooooohh, anymore
Oooooohh, anymore
Oooooohh, anymore
Anymore
Hello from the (17)_____ side
I must've called a thousand (18)_____ to
(19)_____ you
I'm sorry, for everything (20)_____ I've done
But when I call you (21)_____ seem to be home
Hello from the outside
At least I can say that I've tried to (22)_____ you
I'm sorry, for breaking (23)_____ heart
But it don't matter, it (24)_____ doesn't
(25)_____ you apart anymore
