

Fill in the gaps

The Logical Song by Supertramp

When I was young, it seemed that life was so wonderful,

a miracle, oh it was beautiful, magical.

And all the birds in the trees, well they'd be singing so happily,

joyfully, playfully watching me.

But then (1)_____ (2)_____ me away to teach me how to be sensible,

logical, responsible, practical.

And (3)_____ showed me a world where I (4)_____ be so dependable,

clinical, intellectual, cynical.

There are times when all the world's asleep,

the questions run too deep

for such a simple man.

Won't you please, please (5)_____ me what we've learned

I (6)_____ it (7)_____ absurd

but please tell me who I am.

Now watch what you say or they'll be calling you a radical,

liberal, fanatical, criminal.

Won't you sign up your name, we'd like to feel you're

acceptable, respectable, presentable, a vegetable!

At night, when all the world's asleep,

the questions run so deep

for such a simple man.

Won't you please, please tell me what we've learned

I know it (8)_____ absurd

but please tell me who I am.
