

Angels by Robbie Williams

I sit and wait
does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know (1)_____ life won't (2)_____ me
When I (3)_____ to call
She won't forsake me
I'm loving angels instead
When I'm feeling weak
And my pain walks down a one way street
I (4)_____ above
And I know I'll always be blessed with love

Fill in the gaps

And as the feeling grows
She brings flesh to my bones
And (5)_____ love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know (6)_____ life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
(Instrumental)
And through it all she (7)_____ me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
