

## Fill in the gaps

| In the flinty light, it's midnight,         |
|---|
| And stars collide.                          |
| Shadows run, in full flight,                |
| To run, seek and hide.                      |
| I'm still not sure what (1) I play,         |
| In this (2) play, this shadow play.         |
| Well, In the half-light, on this mad night, |
| I (3) a voice in time.                      |
| Well, I look back, see a half-smile,        |
| Then it's gone from sight.                  |
| Tell me, why everyone have changed,         |
| In this shadow play, this shadow play,      |
| I have to find my way,                      |
| In this shadow play.                        |
| Sounds come crashing,                       |
| And I hear laughing,                        |
| All those lights just blaze away.           |
| I feel a little (4) inside,                 |
| A little bit of Jekyll, a little Mr. Hyde.  |
| Sounds come crashing,                       |

| And I hear laughing,                    |
|---|
| All those lights just blaze away.       |
| I (5) a little strange inside,          |
| A little Dr. Jekyll, a little Mr. Hyde. |
| Yeah                                    |
| Thoughts run wild, free as a child,     |
| Into the night.                         |
| Across the screen a thin beam,          |
| Of magic light.                         |
| Tell me why things don't look the same, |
| In this shadow play, this shadow play,  |
| I have to (6) my way,                   |
| In this shadow play.                    |
| I (7) to get away,                      |
| In this (8) play,                       |
| Well (9) me (10) my way                 |
| In this shadow play,                    |
| Yeah                                    |
