

## Fill in the gaps

### Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together  
Like when you said you (1)\_\_\_\_\_ so happy you could die  
Told myself that you were right for me  
But felt so (2)\_\_\_\_\_ in (3)\_\_\_\_\_ company  
But that was love and it's an ache I still remember  
You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end  
So, when we found that we could not make sense  
Well, you said that we would still be friends  
But I'll admit that I was glad that it was over  
But you didn't have to cut me off  
Make out like it never happened and that we were nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
No, you didn't have to stoop so low  
Have your (4)\_\_\_\_\_ collect your records and then  
change your number  
I (5)\_\_\_\_\_ that I don't need, that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
But had me believing it was always (6)\_\_\_\_\_  
that I'd done

But I don't wanna (7)\_\_\_\_\_ that way, reading into every  
word you say  
You said that you (8)\_\_\_\_\_ let it go  
And I wouldn't catch you hung up on somebody that you used  
to know  
But you didn't have to cut me off  
Make out like it never happened and that we were nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
No, you didn't have to stoop so low  
Have your friends collect your records and (9)\_\_\_\_\_  
change your number  
I guess that I don't need, that though  
Now you're just somebody that I used to know  
Somebody, I used to know  
Somebody, now you're just somebody that I used to know  
Somebody, I (10)\_\_\_\_\_ to know  
Somebody, now you're just somebody that I used to know  
I used to know  
That I used to know  
I used to know  
Somebody

Answer

1. felt
2. lonely
3. your
4. friends
5. guess
6. something
7. live
8. could
9. then
10. used
