Fill in the gaps

Come one and all and see the (1)_____ man,
Talking to himself
He sits and waits for something better,
He'll never (2)_____ it here
The people touch his hair
And pinch his cheek, he can't even (3)_____ it
There it goes again, he's listening to someone
He hears the bitter laughter
And all he wants to know is

You've (5)_____ try, the inhale that makes the exhale
so much better
He wipes his hands on anything in reach,
He never feels clean
He shakes at night because his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

That broken man is me
There it goes again, I can hear it louder
It doesn't feel good anymore
All I want to know is
Why, does any of it matter? (I can't (6)_____ it anymore)
You've (7)_____ try, the inhale that makes the exhale
so much better
Now I know I disappear
I can't find my way from out of here
Everything is (8)_____ on me
Someone tell me
Someone tell me
