

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a (1)_____ we can't deny
Like the fact that I (2)_____ (3)_____ you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know that I will always be with you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me feel quite small
But you're the one I (4)_____ the most of all

We're high on the wire
With the (5)_____ in our sight
And I'll never tire
Of the love that you give me every night
There are (6)_____ million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I (7)_____ love you (8)_____ I die
And there are nine million bicycles in Beijing
And you know that I will love you (9)_____ I die
