I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But when I (1)_____ of you
I long to feel your touch
To whisper in your ear
Words that are old as time
Words only you would hear
If only you (2)_____ mine
I (3)_____ I could go back to the very first day I saw you
Should've made my move when you looked in my eyes
'Cause by now I (4)_____ that you'd (5)_____ the
way that I do
And I'd whisper these (6)_____ as you'd lie here by my
side
I (7)_____ you, please say
You love me too, (8)_____ (9)_____ words
They could change our lives forever
And I promise you that we will always be together
Till the end of time
So today, I finally find the courage deep inside
Just to walk (10)_____ up to your door
But my body can't move when I (11)_____ get to
it
Just like a thousand times before
Then without a word he (12)_____ me this letter
Read I (13)_____ this finds the way into your heart, it
said
I (14)_____ you, please say
You love me too, these (15)_____ words
They could (16)_____ our lives forever
And I promise you that we will always be together

Till the end of time
Well maybe I, I need a (17)_____ (18)_____
yeah
And maybe I, I need a (19)_____ care
And maybe I, (20)_____ you, maybe you, maybe you
Oh you need (21)_____ (22)_____ to hold
you
If you do, just reach out and I'll be there
I love you, please say
You love me too
Please say you love me too
Till the end of time
These (23)_____ words
They could change our lives forever
And I promise you (24)_____ we will always be together
Oh, I (25)_____ you
Please say you love me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I love you
I will be your light
Shining bright
Shining through your eyes
My baby
