I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But (1)_____ I think of you
I long to (2)_____ your touch
To whisper in (3)_____ ear
Words that are old as time
Words only you would hear
If only you were mine
I wish I could go back to the (4)_____ (5)_____
day I saw you
Should've made my move when you (6)_____ in my
eyes
'Cause by now I know that you'd feel the way that I do
And I'd whisper these words as you'd lie here by my side
I (7)_____ you, please say
You love me too, these three words
They could (8)_____ our lives forever
And I promise you that we (9)_____ (10)_____
be together
Till the end of time
So today, I finally find the courage deep inside
Just to (11)_____ right up to your door
But my body can't (12)_____ when I finally get to it
Just (13)_____ a thousand times before
Then without a word he handed me this letter
Read I hope this (14)_____ the way into your heart, it
said
I love you, please say
You (15)_____ me too, (16)_____ three words
They could change our lives forever
And I promise you that we will always be together

Till the end of time
Well maybe I, I need a little (17)_____ yeah
And maybe I, I need a little care
And maybe I, (18)_____ you, maybe you, maybe you
Oh you need somebody (19)_____ to hold you
If you do, just reach out and I'll be there
I love you, please say
You love me too
Please say you love me too
Till the end of time
These (20)_____ words
They could change our (21)_____ forever
And I (22)_____ you that we will always be
together
Oh, I love you
Please say you (23)_____ me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I (24)_____ you
I will be (25)_____ light
Shining bright
Shining through your eyes
My baby
