Candles by Daughter

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, (1)_____ in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we (2)_____ from the
times we are cursed
Things cannot be reversed, learn from the ones we fear the
worst
And learn from the ones we (3)_____ the (4)_____
how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young (5)_____ confusing my mind, but we're
both in silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, (6)_____ out all
the candles
"You're too old to be so shy," he says to me so I stay the night
It's (7)_____ a young heart confusing my mind, but we're
(8)_____ in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Answer

1. both
2. learn
