

I don't know if you feel the same as I do

Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that (1) that you can't shift the	(Do I wanna know?)
type that sticks around like summat in your teeth?	If this feeling flows both ways
Are (2) some aces up your sleeve?	(Sad to see you go)
Have you no idea that you're in deep?	Was sorta hoping that you'd stay
I've dreamt about you nearly (3) night this week	(Baby we both know)
How many secrets can you keep?	That the nights were mainly made for saying things that you
Cause there's this tune I found that makes me think of you	can't say tomorrow day
somehow and I play it on repeat	Crawling (5) to you
Until I fall asleep	Ever (6) of calling when you've had a few?
Spilling drinks on my settee	(calling when you've had a few)
(Do I wanna know?)	'Cause I always do ('cause I (7) do)
If this feeling flows both ways	Maybe I'm too busy being yours to fall for somebody new
(Sad to see you go)	Now I've thought it through
Was sorta hoping that you'd stay	Crawling back to you
(Baby we both know)	(Do I wanna know?)
That the nights were mainly made for saying things that you	If this feeling flows both ways
can't say tomorrow day	(Sad to see you go)
Crawling back to you	Was sorta hoping that you'd stay
Ever thought of calling when you've had a few?	(Baby we both know)
Cause I always do	That the nights were mainly made for saying things that you
Maybe I'm too busy being yours to fall for	can't say tomorrow day
(4) new	(Do I wanna know?)
Now I've thought it through	Too busy being yours to fall
Crawling back to you	(Sad to see you go)
So have you got the guts?	Ever (8) of calling darling?
Been wondering if your heart's still open and if so I wanna	(Do I wanna know)
know what time it shuts	Do you (9) me crawling back to you?
Simmer down and pucker up	
I'm sorry to interrupt it's just I'm constantly on the cusp of	
trying to kiss you
