We come into this world unknown	The people like us
But know that we are not alone	(Woah oh oh)
They try and knock us down	(Woah oh oh)
A change is coming, it's our turn now	You just gotta turn it up loud
Hey	When the flames get higher
Everybody loses it	(Woah oh oh)
Everybody wants to throw it all away sometimes	(Woah oh oh)
And hey	Sing it for the people like us
Yeah, I (1) what you're going through	The people like us
Don't let it get the best of you	They can't do nothing to you
You'll (2) it out alive	They can't do nothing to me
(Oh) people like us we've gotta stick together	This is the life that we choose
Keep your head up nothing lasts forever	This is the (7) that we bleed
Here's to the damned, to the (3) and forgotten	So throw your fists in the air
