

## Fill in the gaps

### Reflektor by Arcade Fire

Trapped in a prism, in a (1)\_\_\_\_\_ of light

Alone in the darkness, darkness of white

We (2)\_\_\_\_\_ in love, alone on a stage

In the (3)\_\_\_\_\_ age

(Entre la nuit, la nuit et l'aurore)

(Entre les royaumes, des vivants et des morts)

If this is heaven

I don't know what it's for

If I can't find you there

I don't care

I thought, I found a way to enter

It's just a Reflektor (it's just a Reflektor)

I thought, I found the connector

It's just a Reflektor (it's just a Reflektor)

Now, the signals we send, are (4)\_\_\_\_\_

again

We're still connected, but are we even friends?

We fell in love when I was nineteen

And I was staring at a screen

(Entre la nuit, la nuit et l'aurore)

(Entre les voyants, les vivants et les morts)

If this is heaven

I need something more

Just a place to be alone

'Cause you're my home

I thought, I found a way to enter

It's just a Reflektor (it's just a Reflektor)

I thought, I found the connector

It's just a Reflektor (it's just a Reflektor)

Just a Reflektor

It's just a Reflektor (it's just a Reflektor)

It's just a (5)\_\_\_\_\_ (it's just a Reflektor)

It's just a Reflektor (just a Reflektor)

Reflektor

Just a Reflektor

It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor (it's just a Reflektor)

Reflektor

It's just a Reflektor

It's just a Reflektor

It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor (it's just a Reflektor)

Just a reflection, of a reflection

Of a reflection, of a reflection, of a reflection

Will I see you on the other side? (just a Reflektor)

We all got things to hide (just a Reflektor)

It's just a reflection of a reflection

Of a reflection, of a reflection, of a reflection

Will I see you on the other side? (just a Reflektor)

We all got things to hide (just a Reflektor)

Alright, let's go back

Our (6)\_\_\_\_\_ escapes, on (7)\_\_\_\_\_ silver discs

Our love is plastic, we'll break it to bits

I want to (8)\_\_\_\_\_ free, but will they break me?

Down, down, down, don't mess around

I thought, I found a way to enter

It's just a Reflektor (it's just a Reflektor)

I thought, I found the connector

It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor (it's just a Reflektor)

It's (9)\_\_\_\_\_ a Reflektor (it's just a Reflektor)

Thought you would bring me to the resurrector

Turns out it was just a Reflektor (it's just a Reflektor)

Thought you would bring to me the resurrector

Turns out it was just a Reflektor (it's just a Reflektor)

Thought you would bring to me the resurrector

Turns out you were just a Reflektor

It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor

It's just a Reflektor

It's just a Reflektor

Will I see you on the other side?

It's just a Reflektor

Will I see you on the other side? (Reflektor)

We all got things to hide (Reflektor)

Just a Reflektor

Will I see you on the other side?

Answer

1. prism
2. fell
3. reflective
4. deflected
5. Reflektor
6. song
7. little
8. break
9. just
