## Do I Wanna Know by Arctic Monkeys

Have you got colour in (1) cheeks	Of trying to kiss you
Do you ever get that fear that you can't	But I don't know if you
Shift the tide that sticks (2) like	Feel the same as I do
(Summat) in your teeth	But we could be together
Are there some aces up your sleeve	If you wanted to
Have you no idea that you're in deep	(Do I wanna know)
I dreamt about you nearly	If this feeling flows both ways
Every night this week	(Sad to see you go)
How many (3) can you keep	Was sort of hoping that you'd stay
'Cause there's this tune I've found	(Baby, we both know)
That makes me think of you somehow	That the nights were mainly made
And I play it on repeat	For saying things that you can't say tomorrow day
Until I fall asleep	Crawling back to you (crawling back to you)
Spilling drinks on my settee	Ever thought of calling when
(Do I (4) know)	You've had a few (you've had a few)
If this (5) flows both ways	'Cause I always do ('cause I always do)
(Sad to see you go)	Maybe I'm too (maybe I'm too busy)
Sort of hoping that you'd stay	Busy being yours to fall for (7) new
