Fill in the gaps

I can't (1)_____ it's over
I watched the whole thing fall
And I never saw the writing that was on the wall
If I'd only knew
The days were slipping past
That the (2)_____ things never last
That you were crying
...
Summer turned to winter
And the snow it turned to rain
And the rain (3)_____ into tears upon your face
I hardly recognized
The girl you are today
And god I hope it's not too late
...
It's not too late
'Cause you are not alone
I'm always there with you
And we'll get (4)_____ together
Till the light comes (5)_____ through
'Cause when you feel like you're done
And the darkness has won
Babe, you're not lost...
When your worlds crashing down
And you can't bear the thought
I said, babe, you're not lost

Life can (6)_____ no mercy
It can tear your soul apart
It can make you feel like you've gone crazy
But you're not
Things have seem to changed
There's one (7)_____ that's still the same
In my heart you have remained
And we can fly fly fly away
'Cause you are not alone
And I am there (8)_____ you
And we'll get lost together
Till the light comes pouring through
'Cause when you (9)_____ like you're done
And the darkness has won
Babe, you're not lost
When the worlds crashing down
And you can not bear to crawl
I said, baby, you're not lost
...
I said, baby, you're not lost
I said, baby, you're not lost
...
I said, baby, you're not lost
