

Fill in the gaps

You Are More by Tenth Avenue North

There's a (1) in the corner	You've been remade
With (2) (3) on her eyes	You are more than the choices that you've made
From the places she's wandered	You are (12) (13) the sum of your pas
And the shame she can't hide	mistakes
She says, "How did I get here?	You are (14) than the (15)
I'm not who I once was	you create
And I'm crippled by the fear	You've been remade
That I've fallen too far to love"	'Cause this is not about (16) you've done
But don't you know who you are	But what's been done for you
What's been done for you?	This is not about where you've been
Yeah, don't you know who you are?	But (17) your brokenness (18)
You are more than the (4) that you've	you to
made	This is not about what you feel
You are more than the sum of (5) past mistakes	But (19) he felt to forgive you
You are more than the (6) you create	And what he felt to make you loved
You've been remade	You are more (20) the (21)
Well she (7) to believe it	(22) you've made
That she's been given new life	You are more than the sum of your (23) mistakes
But she can't shake the feeling	You are more than the (24) you create
That it's not true tonight	You've been remade
She knows all the answers	You are more than the (25) that you've
And she's rehearsed all the lines	made
And so she'll try to do better	You are (26) than the sum of your past mistakes
But then she's too weak to try	You are more than the problems you create
But don't you (8) who you are?	You've been remade
You are more than the choices that you've made	You've been remade
You are more (9) the sum of your past mistakes	You've (27) remade
You are (10) (11) the problems you	You've been remade
create	You've been remade
