

Fill in the gaps

I make the most of a	II tne	stress
----------------------	--------	--------

I try to live without regrets

But I'm about to break a sweat

I'm freaking out

It's like a poison in my brain

It's like a fog that blurs the sane

It's like a vine you can't untangle

I'm freaking out

Everytime I turn around

Something don't feel right

Just might be paranoid

I'm avoiding the lines

'Cause they just might split

Can someone stop the noise?

I don't know what it is but I just don't fit

I'm paranoid

Yeah

I take the necessary steps

To get some air into my chest

I'm taking all the doctor's med

I'm still freaking out

That's why my ex is still my ex

I never trust a word she says

I'm running all the backround checks

And she's freaking out

Everytime I turn around

Something's just not right

Just might be paranoid

I'm avoiding the lines

'Cause they (1)____ might split

Can someone stop the noise? I don't know what it is but I just don't fit Consider me destroyed I don't know how to act 'cause I lost my head I must be paranoid (I (2)_____ be paranoid) I never thought it would come to this I'm paranoid Stuck in the room with (3)_____ faces (Yeah) Caught in a nightmare can't wake up If you hear my cry Running through the street I'm about to freak Come and rescue me Just (4)_____ be paranoid (Yeah) I'm avoiding the lines 'Cause they just might split Can someone stop the noise? (Can (5)_____ stop the noise?) I don't (6)_____ what it is but I just don't fit Consider me (7)___ (consider me destroyed) I don't know how to act 'cause I lost my head I must be paranoid (I (8)_____ be paranoid) I never thought it would come to this I'm paranoid
