Spaceman by The Killers

It started with a low light
Next thing I (1)_____ they ripped me from my bed
And then (2)_____ (3)_____ my blood type
They (4)_____ a (5)_____ impression in my head
You know that I was hoping
That I could (6)_____ (7)_____ star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just flown too far from the floor (8)_____ time
'Cause (9)_____ calling me by my name
And the zipping white (10)_____ beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
Well now I'm (11)_____ at home and
I'm (12)_____ forward to this life I live
You know it's gonna haunt me
So hesitation to this life I give
You (13)_____ you might cross over
You (14)_____ between the devil and the deep blue sea
You better (15)_____ it over
Before you make that leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The (16)_____ maker says it ain't so bad
The dream maker's gonna make you mad
The (17)_____ says everybody look down
It's all in your mind
The star (18)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
My global (19)_____ systems are vocally addressed
They say the Nile used to run from east to west
They say the (20)_____ used to run from (21)_____ to west
I'm fine
But I hear (22)_____ (23)_____ at night
Sometimes...
The star maker says it ain't so bad
The dream maker's (24)_____ make you mad
The (25)_____ says everybody look down
It's all in (26)_____ mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman says (27)_____ look down
It's all in your mind
It's all in my mind
It's all in my mind...
