Spaceman by The Killers

It started with a low light
Next thing I knew they (1)_____ me (2)_____
my bed
And then they took my (3)_____ type
They left a strange impression in my head
You know that I was hoping
That I could leave this star-crossed world behind
But when (4)_____ cut me open
I guess I changed my mind
And you know I might
Have just flown too far (5)_____ the floor this time
'Cause (6)_____ (7)_____ me by my name
And the zipping (8)_____ light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The (9)_____ maker says it ain't so bad
The dream maker's (10)_____ make you mad
The spaceman says everybody (11)_____ down
It's all in your mind
Well now I'm (12)_____ at home and
I'm looking forward to this life I live
You know it's gonna haunt me
So hesitation to this life I give
You (13)_____ you might cross over
You caught (14)_____ the devil and the deep
(15)_____ sea
You better look it over
Before you (16)_____ that leap
And you know I'm fine but I hear (17)_____ voices at
night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star (18)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman (19)_____ everybody look down
It's all in your mind
The star (20)_____ (21)_____ it ain't so bad
The dream maker's (22)_____ make you mad
The spaceman says everybody look down
It's all in your mind
My global position systems are (23)_____
addressed
They say the Nile (24)_____ to run from east to west
They say the Nile used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's (25)_____ make you mad
The (26)_____ says everybody look down
It's all in your mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
