And the fault is my own

I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park

(When (1) began)	I wanna feel
I had (2) to say	What I thought was never real
And I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
(I was confused)	(Erase all the pain till it's gone)
And I let it all out to find	I wanna heal
That I'm not the only (3) with these	I wanna feel
(4) in mind	Like I'm close to something real
(Inside of me)	I wanna find something I've wanted all along
But all that they can see the words revealed	Somewhere I belong
Is the only real thing that I've got left to feel	I (7) never know
(Nothing to lose)	Myself until I do this on my own
Just stuck, hollow and alone	And I will never feel
And the fault is my own	Anything else until my wounds are healed
And the fault is my own	I will never be
I (5) heal	Anything till I break away from me
I wanna feel	I will break away
What I thought was never real	I'll find myself today
I wanna let go of the pain I've felt so long	I wanna heal
(Erase all the pain till it's gone)	I wanna feel
I wanna to heal	What I thought was never real
I wanna to feel	I wanna let go of the pain I've felt so long
Like I'm close to something real	(Erase all the pain till it's gone)
I wanna find something I've wanted all along	I wanna heal
Somewhere I belong	I wanna feel
And I've got nothing to say	Like I'm close to something real
I can't believe I didn't fall (6) down on my face	I wanna find something I've (8) all along
(I was confused)	Somewhere I belong
Looking everywhere only to find	I wanna heal
That it's not the way I had imagined it all in my mind	I (9) feel like I am
(So what am I)	Somewhere I belong
What do I have but negativity	I wanna heal
'Cause I can't justify way everyone is looking at me	I wanna feel like I am
(Nothing to lose)	Somewhere I belong
Nothing to gain, hollow and alone	Somewhere I belong
And the fault is my own
