**Sleeping In The Fire by Wasp**

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the (1)\_\_\_\_\_ light

See in the (2)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic (3)\_\_\_\_\_ (4)\_\_\_\_\_ you numb

The passion and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel what it does and you're (5)\_\_\_\_\_ on love

You're sleeping in the fire

I gaze at the (6)\_\_\_\_\_ and fire burn

And cry out the name of which I yearn

The Lucifer's (7)\_\_\_\_\_ that (8)\_\_\_\_\_ you numb

The passion and all the pain are one

You're sleeping in the fire
