

The sins of our young

Fill in the gaps

God bless us everyone	No!
We're a broken people living under loaded gun	And when I close my (10) tonight
And it can't be outfought	To (11) of (12)
It can't be outdone	light
It can't outmatched	God save us everyone
It can't be outrun, no!	Will we burn inside the fires of a thousand suns?
God bless us everyone	Oh!
We're a broken people (1) under loaded gun	Like (13) in cold decay
And it can't be outfought	Transmissions (14) away
It can't be outdone	Far (15) the (16) of you and I
It can't outmatched	Where (17) bleed into the sky
It can't be outrun	Like memories in cold decay
No!	Transmissions echoing away
And when I close my eyes tonight	Far (18) the (19) of you and I
To (2) of blinding light	Where oceans bleed (20) the sky
God bless us everyone	Lift me up
We're a broken people (3) under loaded gun	Let me go
Oh!	Lift me up
Like memories in cold decay	Let me go
Transmissions echoing away	Lift me up
Far from the world of you and I	Let me go
Where oceans bleed into the sky	Lift me up
God (4) us everyone	Let me go
Will we burn inside the (5) of a thousand suns?	Lift me up
For the sins of our hand	Let me go
The sins of our tongue	Lift me up
The sins of our father	
The (6) of our young	God bless us everyone
No!	We're a broken people living under loaded gun
God save us everyone	And it can't be outfought
Will we burn inside the fires of a thousand suns?	It can't be outdone
For the (7) of our hand	It can't outmatched
The (8) of our tongue	It can't be outrun
The (9) of our father
