

No It Isn't by Plus 44

Fill in the gaps

Please understand

This isn't just goodbye

This is I can't stand you

This is where the road (1)_____ into the ocean

It (2)_____ all around me

And now we're (3)_____ breathing

A thousand (4)_____ we'll choose to ignore

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation (5)_____ me overjoyed

With fading lights that lead us past the lives that we destroy

I listen to you cry

A cry for less attention

But (6)_____ my hands are tied

And I'm pushed into the deep end

I listen to you talk but talk is cheap

And my mouth is filled with blood

From trying not to speak

So search for an excuse

And someone to believe you

In foreign dressing rooms

I'm empty with the need to

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation leaves me overjoyed

With fading lights that lead us past the lives that we destroy

Curse my enemies forever

Let's (7)_____ our wrists and burn down something beautiful

This desperation is leaving me overjoyed

With fading lights that (8)_____ us past the lives that we destroy

Please understand

Lay rotting where I fall

I'm dead from bad intentions

Suffocated and embalmed

And now all our dreams are cashed in

You swore you wouldn't lose then (9)_____ your brain

You make a sound that feels like pain

So please understand

This isn't just goodbye

This is I can't stand you

Fill in the gaps

Answer

1. crashed
2. rises
3. barely
