

Fill in the gaps

No It Isn't by Plus 44

Please understand
This isn't just goodbye
This is I can't stand you
This is where the road crashed into the ocean
It rises all (1)_____ me
And now we're barely breathing
A thousand faces we'll choose to ignore
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation leaves me overjoyed
With (2)_____ (3)_____ that lead us past
the lives that we destroy
I listen to you cry
A cry for less attention
But both my hands are tied
And I'm pushed into the deep end
I listen to you talk but talk is cheap
And my mouth is filled with blood
From trying not to speak
So (4)_____ for an excuse
And someone to believe you
In foreign dressing rooms

I'm empty with the (5)_____ to
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation (6)_____ me overjoyed
With fading lights (7)_____ lead us past the
(8)_____ that we destroy
Curse my enemies forever
Let's slit our (9)_____ and burn down something
beautiful
This desperation is leaving me overjoyed
With fading lights that lead us past the lives that we destroy
Please understand
Lay rotting where I fall
I'm dead from bad intentions
Suffocated and embalmed
And now all our dreams are cashed in
You swore you wouldn't lose then lost your brain
You make a sound that feels like pain
So please understand
This isn't just goodbye
This is I can't stand you

Answer

1. around
2. fading
3. lights
4. search
5. need
6. leaves
7. that
