

Fill in the gaps

No It Isn't by Plus 44

Please understand

This isn't just goodbye

This is I can't stand you

This is where the road crashed into the ocean

It rises all around me

And now we're barely breathing

A thousand faces we'll choose to ignore

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation leaves me overjoyed

With (1)_____ lights that lead us past the lives that we destroy

I listen to you cry

A cry for less attention

But both my hands are tied

And I'm pushed into the deep end

I listen to you talk but talk is cheap

And my mouth is filled with blood

From trying not to speak

So search for an excuse

And someone to (2)_____ you

In foreign dressing rooms

I'm (3)_____ with the need to

Curse my enemies forever

Let's slit our wrists and burn down (4)_____

beautiful

This desperation leaves me overjoyed

With fading lights that lead us (5)_____ the lives that we destroy

Curse my enemies forever

Let's slit our wrists and (6)_____ down something beautiful

This desperation is leaving me overjoyed

With fading lights that lead us past the (7)_____ that we destroy

Please understand

Lay rotting where I fall

I'm dead from bad intentions

Suffocated and embalmed

And now all our (8)_____ are (9)_____ in

You swore you wouldn't lose (10)_____ lost your brain

You make a sound that feels like pain

So please understand

This isn't just goodbye

This is I can't stand you

Fill in the gaps

Answer

1. fading
2. believe
3. empty
4. something
