Live A Little by Gym Class Heroes

Fill in the gaps

Can you feel the urgency?				
Like a (1)	pulling out		Staring at the clock	
Can you feel the urgency?			I hear each (6)	and tock
Pulses of anxiety			And they whisper that I lost the race	
We're just faces in the crowd			But I won't fucking stop	
Pulses of anxiety(oh)			I'll hold you by my side	
Are these the lies that we've been taught to believe?			I need you (7)	to fight
Are these the lives that we have opted to lead?			Cause' if we're gonna' lose this thing	
(Uh oh, uh oh)			Then we're goin' out in style	
			Staring at the clock	
Staring at the clock			I hear each tick and tock	
I hear each tick and tock			And (8) whi	sper that I lost the race
And they whisper that I lost the race			But I won't fucking stop	
But I won't fucking stop			I'll hold you by my side	
I'll hold you by my side			You know I (9) you here to fight	
I need you here tonight			Cause' if we're gonna' lose this thing	
Cause' if we're gonna' lose this thing			Then we're goin' out in style	
Then we're goin' out in style			Staring at the clock	
Time (2) replace reality			I hear each tick and tock	
Now we are peaking through the hours			And they whisper that I lost the race	
Time will (3)	reality		But I won't (10)	stop
So I grasp for sanity			I'll hold you by my side	
I refuse to be devoured			You know I need you here to fight	
So I grasp for sanity			Because if we're gonna' lose this thing	
Are these the lies that	were (4)	to believe?	Then we're goin' out in style	
Are these the lives we	e (5) opted t	to lead?		
(Uh oh, uh oh)
