

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching  
You were on a mission  
Then our hearts combined like  
A neutron star collision  
I (1)\_\_\_\_\_ nothing (2)\_\_\_\_\_ to lose  
You took your time to choose  
Then we (3)\_\_\_\_\_ (4)\_\_\_\_\_ other  
With no trace of (5)\_\_\_\_\_ that...  
Our love (6)\_\_\_\_\_ be forever  
And if we die, we die together  
And lie, I said never  
'Cause our love would be forever  
The world is broken  
Halos (7)\_\_\_\_\_ to glisten  
You try to make a difference  
But no one wants to listen  
Hail, the preachers, fake and proud

Their doctrines will be cloud  
Then they'll dissipate  
Like snowflakes in an ocean  
Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our love could be forever  
Now I've got nothing left to lose  
You (8)\_\_\_\_\_ your time to choose  
I can tell you now without a (9)\_\_\_\_\_ of fear  
That my love will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our love will be forever

Answer

1. have
2. left
3. told
4. each
5. fear
6. would
7. fail
8. take
9. trace
