

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You (1)_____ on a mission
Then our hearts combined like
A neutron star collision
I have (2)_____ left to lose
You took your time to choose
Then we (3)_____ (4)_____ other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to (5)_____ a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their (6)_____ (7)_____ be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing (8)_____ to lose
You take your time to choose
I can (9)_____ you now without a trace of fear
That my love (10)_____ be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever

Fill in the gaps

Answer
