Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I (1)_____ (2)_____ left to lose
You took your time to choose
Then we (3)_____ each other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I (4)_____ never
'Cause our (5)_____ would be forever
The world is broken
Halos (6)_____ to glisten
You try to make a difference
But no one (7)_____ to listen
Hail, the preachers, (8)_____ and proud

Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You take (9)_____ time to choose
I can tell you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever
