

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You were on a mission

Then our hearts combined like

A (1)_____ star collision

I (2)_____ (3)_____ (4)_____ to lose

You took your time to choose

Then we (5)_____ each other

With no trace of fear that...

Our love (6)_____ be forever

And if we die, we die together

And lie, I (7)_____ never

'Cause our love would be forever

The (8)_____ is broken

Halos fail to glisten

You try to (9)_____ a difference

But no one (10)_____ to listen

Hail, the preachers, (11)_____ and proud

Their (12)_____ will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got (13)_____ (14)_____ to lose

You take your time to choose

I can (15)_____ you now without a (16)_____ of fear

That my (17)_____ will be forever

And we'll die, we'll die together

Lie, I (18)_____ never

'Cause our love (19)_____ be forever

Fill in the gaps

Answer
