Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts (1)_____ like
A neutron (2)_____ collision
I have (3)_____ left to lose
You (4)_____ your (5)_____ to choose
Then we told (6)_____ other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their doctrines (7)_____ be cloud
Then they'll dissipate
Like (8)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing (9)_____ to lose
You take your time to choose
I can tell you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever
