

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light
In flames of death's eternal reign we ride towards the fight
And the darkness is (1)_____ down
And the times are (2)_____ all right
The sound of evil laughter falls around the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The (3)_____ souls will feel the hell bodies
Wasted on the shores
On the (4)_____ (5)_____ in
(6)_____ domain
We (7)_____ (8)_____ as they go
Through fire, pain and once again we know
So now we fly ever free
We're (9)_____ before the thunderstorm
On (10)_____ the wilderness our
(11)_____ carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far away we (12)_____ for the day
For the light source so wasted and gone
We (13)_____ the pain of a lifetime lost in a thousand
days
Through the fire and the flames we carry on
As the red day is dawning
And the lightning (14)_____ the sky
They raise their (15)_____ to the heavens above
As we send them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're banished from the time in the (16)_____ land
To a light beyond the stars
In the blackest dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight
And on the (17)_____ of a dream so far beyond reality
All alone in desperation now the time is gone
Lost inside you'll never find Lost within my own mind
Day after day this (18)_____ must go on
So far away we wait for the day
For the light (19)_____ so (20)_____ and
gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
Now here we stand with their blood on our hands
We fought so (21)_____ now can we understand
I'll break the seal of (22)_____ curse if I possibly can
For (23)_____ of (24)_____ man
So far away we wait for the day
For the light (25)_____ so wasted and gone
We feel the pain of a lifetime lost in a (26)_____
days
Through the (27)_____ and the flames we carry on

Fill in the gaps

Answer

1. falling
