Something Stupid by Frank Sinatra

Fill in the gaps

Comouning Ctapia by Frank Cinada
I know I stand in line until you think
You have the time to spend an evening with me
And if we go someplace to dance
I know that there's a chance
You won't be leaving with me
And afterwards we drop into a (1) little place
And (2) a drink or two
And then I go and spoil it all by saying
Something stupid (3) I love you
I can see it in (4) eyes that you despise
The same old lines you heard the night before
And though it's just a line to you for me it's true
And though it's just a line to you for me it's true And never seemed so right before
And never seemed so right before
And never seemed so right before I (5) to find some clever lines
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait Until the evening gets late
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait Until the evening gets late And I'm alone with you
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume fills my head
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume fills my head The stars get red and on the nights so blue
And never seemed so right before I (5)
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume fills my head The stars get red and on the nights so blue And then I go and spoil it all by saying Something stupid like I love you
And never seemed so right before I (5) (6) to find some clever lines To say to (7) the meaning come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume fills my head The stars get red and on the nights so blue And then I go and spoil it all by saying Something stupid like I love you The time is right your perfume fills my head
