I'm staring out into the night
Trying to hide the pain
I'm going to the place where love
And feeling good don't ever cost a thing
And the pain you feel's a different kind of pain
I'm going home
Back to the place where I belong
And where your love has always been enough for me
I'm not running from
No, I think you got me all wrong
I don't regret this life I chose for me
But these places and these faces are getting old
So I'm going home
Well I'm going home
The miles are getting longer, it seems
The closer I get to you
I've not always been the (1)_____ man or friend for you
But your love, remains true
And I don't know why
You always seem to give me another try
So I'm going home
Back to the (2)_____ where I belong
And where your love has always been
Enough for me
