

That feeds what I need

## Fill in the gaps

Sunshine	So, baby, what if I can't forget you?
There ain't a thing that you can do	(What if I can't forget you?)
That's (1) ruin my night	Collide invisible lips like a shadow on the wall
(But, there's just something about)	And just throw, oh no
This dizzy dreamer and her bleeding (2) blue	You can't just throw me away
boy	So, what if I can't forget you?
Licking your fingers like you're done and	I'll burn your name into my throat
You've decided there is so (3) more than me	I'll be the fire that'll catch you
And baby, honestly	What's so good about picking up the pieces?
It's harder breathing next to you, I shake	What if I don't even want to?
I brought a gun and as the preacher tried to stop me	(Oh-oh oh-oh)
Hold my heart it's beating for you anyway	What if I can't (7) you?
What if I can't forget you?	I'll burn your name into my throat
I'll (4) your name into my throat	I'll be the fire that'll catch you
I'll be the fire that'll catch you	What's so good about picking up the pieces?
What's so good about picking up the pieces?	None of the (8) ever light up anymore in this
What's so good about picking up the pieces?  None of the colors ever light up (5) in this	None of the (8) ever light up anymore in this hole
