Two More Years by Bloc Party

In two more years, my sweetheart
We will see another view
Such longing for the past for such completion
What was once golden
Has now turned a shade of grey
I've become crueler in your presence
They say, be brave
There's a right way in a wrong way
This pain won't last for ever
This pain won't last for ever
Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
You've cried enough this lifetime
My beloved polar bear
Tears to fill a sea to drown a beacon
To start (1)_____ all over
Remove those scars (2)_____ your arms
To (3)_____ anew all over more enlightened
I know (I know), my love
This is not the only story you can tell
This pain won't last for ever
This (4)_____ won't last for ever

Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
You don't need to find answers
For questions never asked of you
You don't need to find answers
You don't (5)_____ to find answers
For questions never asked of you
You don't need to (6)_____ answers
Dead weights, balloons
Drag me to you
I've become crueler, since I met you
I've (7)_____ rougher, this world is
(8)_____ me
You don't need to find answers
For questions never (9)_____ of you
