Took a deep breath in the mirror	Like a little kid
He didn't like it (1) I wore high heels	I think it's strange that you think I'm funny 'cause
But I do	He never did
Turn the lock and put my headphones on	I've been spending the last 8 months
He (2) said he didn't get this song	Thinking all love ever does
But I do, I do	Is break and burn and end
Walked in (3) you'd be late	But on a Wednesday in a cafe
But you got here early and you stand and wave	I watched it begin again
I walk to you	And we walked down the block, to my car
You pull my chair out and help me in	And I almost brought him up
And you don't know how nice that is	But you start to talk about the movies
But I do	That your family watches every single Christmas
And you (4) your head back laughing	And I want to talk about that
Like a little kid	And for the first time
I think it's strange (5) you think I'm funny 'cause	What's past is past
I think it's strange (5) you think I'm funny 'cause He never did	What's past is past 'Cause you throw your head back laughing
