

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in (1)_____ you're gonna go far
If you do it right, you'll love (2)_____ you are
Just know, wherever you go
You can always come home...
240 thousand miles from the moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the horizon is another (3)_____ sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're (4)_____ alone
You can (5)_____ come back home...
Home

Home
You can always come back
Every road is a slippery slope
But there is always a hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know
That (6)_____ you go
No, you're (7)_____ alone
You will always get (8)_____ home...
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes
