

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in (1)_____ you're (2)_____ go
far
If you do it right, you'll love where you are
Just know, wherever you go
You can always come home...
240 thousand miles from the moon
We've (3)_____ a (4)_____ way to belong here
To share (5)_____ view of the night
A (6)_____ night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the (7)_____ of the light is a necessary part
Just know, you're never alone
You can always come back home...
Home

Home
You can always come back
Every (8)_____ is a slippery slope
But there is always a hand that you can hold on to
Looking deeper through the telescope
You can see (9)_____ your home's inside of you
Just know
That wherever you go
No, you're (10)_____ alone
You will always get back home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes
