Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn

Well that's alright because I like the way it hurts

Just gonna stand there and hear me cry

Well that's alright because I love the way you lie

I love the way you lie

[Eminem]

I (1)_____ tell you what it really is

I can only tell you what it feels like

And right now there's a steel knife in my windpipe

I can't breathe but I still fight while I can fight

As long as the wrong feels right it's like I'm in flight

High off of love, drunk from my hate

Its like I'm huffing paint

And I love it the more that I suffer, I suffocate

And right before I'm about to drown she resuscitates me

She fucking hates me and I love it, wait

Where you going, I'm leaving you

No you ain't, come back

We're running (2)_____ back

Here we go again, it's so insane

Cause when it's going good it's going great

I'm superman with the wind at his back, (3)_____

Lois Lane

But when it's bad it's awful I feel so ashamed, I snapped

Who's that dude I don't even know his name

I laid hands on her, I'll never stoop so low again

I guess I don't know my own strength

[Rihanna]

Just gonna stand there and watch me burn

Well that's alright because I like the way it hurts

Just gonna stand there and hear me cry

Well that's alright because I love the way you lie

I love the way you lie, I love the way you lie

[Eminem]

You ever love somebody so much

You can barely breathe when you're with 'em

You meet and neither one of you even know what hit 'em

Got that (4)_____ fuzzy feeling

Yeah them chills used to get 'em

Now you're getting fucking sick at lookin at 'em

You (5)_____ you'd never hit 'em

Never do nothing to hurt 'em

Now you're in each others face

Spewing venom in your words when you spit 'em

You push, (6)_____ each other's hair, scratch, claw

Bit 'em, throw 'em down, pin 'em

So lost in the moments when you're in them

It's the craze that the corporate controls you both

So they say it's best to go your separate ways

Guess they don't know you

Cause today, that was yesterday

Yesterday is over, it's a (7)_____ day

Silent broken records playing over

But you promised her next (8)_____ you'll show restraint

You don't get another chance

Life is no nintendo game, but you lied again

Now you get to watch her leave out the window

I guess that's why they call it window pane

[Rihanna]

Just gonna stand (9)_____ and watch me burn

Well that's alright because I like the way it hurts

Just gonna stand there and hear me cry

Well that's alright because I love the way you lie

I love the way you lie, I love the way you lie

[Eminem]

Now I know we said things

Did things that we didn't mean

And we fall back into the same patterns, same routine

But your temper is just as bad as mine is

You're the same as me

When it comes to love you're just as blinded

Baby, please come back it wasn't you maybe it was me

Maybe our relationship isn't as crazy as it seems

Maybe (10)_____ what happens when a
tornado meets a volcano

All I know is I love you too much to walk away though

Come inside, pick up your bags off the sidewalk

Don't you hear sincerity in my voice when I talk?

Told you this is my fault, look in the eyeball

Next time I'm pissed I'll aim my fist at the drywall

Next time, there won't be no next time

I apologize even though I know it's lies

I'm tired of the games I just want her back

I know I'm a liar if she ever tries to fucking leave again

I'mma tie her to the bed and set this house on fire

[Rihanna]

Just gonna stand there and watch me burn

Well that's alright because I like the way it hurts

Just gonna stand there and hear me cry

Well that's alright because I love the way you lie

I love the way you lie, I love the way you lie
