The Stars (Are Out Tonight) by David Bowie

...
Stars are never sleeping
Dead ones and the living
We live closer to the earth
Never to the heavens
The stars are never far away
Stars are out tonight
They watch us from behind their shades
***, (1)_____ and Kate and Brad
From behind their tinted window stretch
Gleaming like blackened sunshine
Stars are never sleeping
Dead ones and the living
Waiting for the first move
Satyrs and their child wives
Waiting for the last move
Soaking up our (2)_____ world
Stars are never sleeping
Dead ones and the living
Their jealousy's spilling down
The stars must stick together
We will never be rid of these stars
But I hope (3)_____ live forever
And they know just what we do
That we toss and turn at night

They're waiting to make their moves
But the stars are out tonight
...
Here they are upon the stairs
Sexless and not aware
They are the stars, they're dying for you
But I hope they (4)_____ forever
They burn you with their (5)_____ smiles
Trap you with their beautiful eyes
They're broke and shamed or drunk or scared
But I hope they live forever
Their jealousy's spilling down
The stars must stick together
We will never be rid of these stars
But I hope they (6)_____ forever
And they know (7)_____ (8)_____ we do
That we (9)_____ and turn at night
They're (10)_____ to make their moves on us
But the stars are out tonight
Yeah...
The stars are out tonight
The stars are out tonight
Yeah...
