Explosions by Ellie Goulding

You trembled like you'd seen a ghost
And I gave in
I (1)_____ the things you (2)_____ the most, you
said
Where have you been
You wasted all that sweetness to run and hide
I wonder why
I remind you of the days you poured your heart into
But you never tried
I've (3)_____ from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will (4)_____ be the same
It (5)_____ never be the same
You left my soul (6)_____ in the dark
So you (7)_____ be king
The rules you set are still untold to me and I've
Lost my faith in everything
The nights you (8)_____ cope
Your intentions were gold
But the mountains will shake
I need to know I can still make explosions

On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will (9)_____ be the same
And as the floods move in
And your body starts to sink
I was the last thing on your mind
I know you better than you think
'Cause it's simple, darling
I (10)_____ you a warning
Now everything you own
Is falling from the sky in pieces
So watch them fall with you in slow motion
I pray that you'll find peace of mind
And I'll find you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
