You (1) like you'd seen a ghost	On the day you (18) up needing somebody
And I (2) in	And you've learned
I (3) the things you need the most, you said	It's okay to be afraid
Where have you been	But it (19) never be the same
You wasted all that (4) to run and hide	And as the floods (20) in
I wonder why	And your body starts to sink
I remind you of the days you poured (5)	I was the last thing on (21) mind
(6) into	I know you (22) than you think
But you (7) tried	'Cause it's simple, darling
I've (8) grace, took a blow to	I gave you a warning
my face	Now everything you own
I've (10) and I've lost, I've (11) and	Is falling from the sky in pieces
I've lost	So (23) them fall (24) you in slow
Explosions	motion
On the day you (12) up needing somebody	I (25) (26) you'll find peace of mind
And you've learned	And I'll find you another time
It's okay to be afraid	I'll (27) you, another time
But it will never be the same	Explosions
It will never be the same	On the day you wake up needing somebody
You left my (13) bleeding in the dark	And you've learned
So you could be king	It's okay to be afraid
The rules you set are still untold to me and I've	But it (28) never be the same
Lost my faith in everything	
The nights you (14) cope	
Your (15) gold	
But the mountains will shake	
I need to (17) I can still make explosions
