

Fill in the gaps

While Your Lips Are Still Red by Nightwish

Sweet little words made for silence

Not talk

Young heart for love

Not heartache

Dark hair for catching the wind

Not to veil the sight of a cold world

Kiss, (1)_____ your lips are (2)_____ red

While he's still silent rest

While (3)_____ is (4)_____ untouched,
unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love (5)_____ the night still hides the withering dawn

First day of love never (6)_____ back

A passionate hour's never a wasted one

The violin, the poet's hand

Every thawing heart plays your theme (7)_____ care

Kiss, while your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold (8)_____ hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love while the (9)_____ still hides the withering
dawn...

(Oh...)

Kiss, while your lips are (10)_____ red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love while the night still hides the withering dawn...

Fill in the gaps
