Hey Lucy, I remember your name
I left a dozen roses on your grave today
I'm in the grass on my knees, wipe the leaves away
I just came to talk for a while
I got some things I need to say
Now that it's over
I just (1)_____ hold her
I'd give up all the world to see
That little (2)_____ of heaven looking (3)_____ at
me
Now (4)_____ it's over
I (5)_____ wanna hold her
I've (6)_____ live with the choices I made
And I can't live with myself today
Hey Lucy, I remembered your birthday
They said it'd bring some closure to say your name
(To say your name)
I know I'd do it all (7)_____ if I had the
chance
(The chance)
But all I got are these roses to give
And they can't help me make amends
Now that it's over
I just wanna hold her
I'd give up all the world to see
That little piece of heaven looking back at me
Now that it's over
I just wanna hold her
I've gotta live with the choices I made
And I can't live with myself today
Here we are
Now you're in my arms

I never wanted anything so bad
Here we are
For a brand new start
Living the life that we could've had
Me and Lucy walking hand in hand
Me and Lucy (8)_____ wanna end
Just another moment in your eyes
I'll see you in another life
In heaven where we never say goodbye
Now that it's over
I just wanna hold her
I'd give up all the world to see
That little piece of heaven looking back at me
Now that it's over
I just wanna hold her
I've gotta live with the choices I made
And I can't live with myself today
Here we are, now you're in my arms
Here we are for a (9)_____ new start
Got to live with the choices I've made
And I can't live with myself today
Me and Lucy walking hand in hand
Me and Lucy (10)_____ wanna end
Got to live with the choices I've made
And I can't live with myself
Today
