### What Goes Around... Comes Around by Justin Timberlake

...

Hey girl

Is he (1)\_\_\_\_\_ you wanted in a man?

You know I (2)\_\_\_\_\_ you the world

You had me in the palm of your hand

So, why the love went away?

I just can't seem to understand

Thought it was me and you, baby

Me and you until the end

But I guess I was wrong

Don't (3)\_\_\_\_\_ think about it

Don't wanna talk about it

I'm just so (4)\_\_\_\_\_ about it

I can't believe it's ending this way

Just so (5)\_\_\_\_\_ about it

Feeling the blues about it (yeah)

I just can't do without ya

Tell me is this fair

Is this the way it's really going down?

Is this how we say goodbye?

Should've known better when you came around

That you were (6)\_\_\_\_\_ make me cry

It's breaking my heart to (7)\_\_\_\_\_ you run around

'Cause I know that you're living a lie

But that's ok, baby

'Cause in time you (8)\_\_\_\_\_ find

What goes around, goes around, goes around

Comes all the way back around

What goes around, (9)\_\_\_\_\_ around, (10)\_\_\_\_\_ around

## Fill in the gaps

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

Yeah

Now Girl

I remember everything that you claimed

You said that you were moving on now (on now)

Maybe I should do the same

(Maybe I should do the same)

The funny (11)\_\_\_\_\_ about that is

I was ready to give you my name

Thought it was me and you baby (baby)

And now, it's all just a shame

That I guess I was wrong

(...)

Don't wanna (12)\_\_\_\_\_ about it (no)

Don't wanna talk about it

I'm (13)\_\_\_\_\_ so sick about it

I can't believe it's ending (14)\_\_\_\_\_ way

Just so confused about it

Feeling the blues about it (yeah)

I just can't do without ya

Can you tell me is this fair

Is this the way it's really going down?

Is this how we say goodbye?

Should've known better when you came around

That you were gonna make me cry

It's (15)\_\_\_\_\_ my heart to watch you run around

## Fill in the gaps

'Cause I know that you're living a lie

But that's ok, baby

'Cause in time you will find

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What (16)\_\_\_\_\_ around, goes around, goes around

Comes all the way back around

Yeah

(...)

Don't wanna think about it (no)

Don't (17)\_\_\_\_\_ talk about it

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it

Feeling the blues about it (yeah)

I just can't do without ya

Tell me is this fair

What goes around, goes around, goes around

Comes all the way (18)\_\_\_\_\_ around

What goes around, (19)\_\_\_\_\_ around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way (20)\_\_\_\_\_ around

Yeah

## Fill in the gaps

(...)

(Let me paint this (21)\_\_\_\_\_ for you, baby)

You spend your nights alone

And he never comes home

And everytime you call him

All you get a busy tone

I heard you found out

That he's doing to you

What you did to me

Ain't that the way it goes

When you cheated, girl

My heart bled, girl

So keep going without saying

That ya left me (22)\_\_\_\_\_ hurt

Just a classic (23)\_\_\_\_\_ a scenario

Tell is over

Girl, you got what you deserved

And now you want somebody

To (24)\_\_\_\_\_ the (25)\_\_\_\_\_ nights

You wish you had somebody

That could come and make it right

But girl, I ain't somebody

Whit a lot of sympathy

See...

What goes around (26)\_\_\_\_\_ back around

I (27)\_\_\_\_\_ I told ya (hey...)

What goes around comes back around

I thought I told ya (hey...)

What goes around comes back around

I thought I told ya (hey...)

**Fill in the gaps**

What goes around comes back around

I thought I told ya (hey...)

See...

You shoulda listened to me, baby...

Baby...

Because "What goes around (28)\_\_\_\_\_ back around"

...
