

Fill in the gaps

I wo weeks away	l ake all our time
It feels like the whole world should've changed	I've (13) got sa
But I'm home now	And I can't shake the though
And things (1) (2) the same	I should get on, forget you
I think I'll leave it till (3) to unpack	But why (14) I
Try to (4) for one more night	I know we (15) g
That I'm back in my flat on the road	Anything else would've beer
Where the (5) never stop going through the night	I wanna see you again
To a life where I can watch sunset	I wanna see you again
I don't (6) time	I wanna see you again
I don't have time	Two (16) away
I've still got sand in my shoes	All it takes
And I can't shake the thought of you	To change and turn me arou
I should get on, forget you	I (17) away
But why (7) I (8) to	And (18) (
I know we said goodbye	wanted to see again
Anything else would've been confused but	I've still got sand in my shoe
I wanna see you again	And I can't shake the though
Tomorrow's back to (9) and (10) to	I (21) get or
sanity	But why would I want to
Should run a bath	I know we said goodbye
And then clear up the mess I made before I left here	Anything else would've beer
Try to remind myself that I was happy here	I (22) see you
Before I knew that I (11) get on the plane and fly	I (23) see you
away	I wanna see you again
From the (12) where the cars	
Never stop going through the night	
To a life where I can watch sunset	
And take my time	

I've (13) got sand in my shoes
And I can't shake the thought of you
I should get on, forget you
But why (14) I want to
I know we (15) goodbye
Anything else would've been confused but
I wanna see you again
I wanna see you again
I wanna see you again
Two (16) away
All it takes
To change and turn me around, I've fallen
I (17) away
And (18) (19) (20)
wanted to see again
I've still got sand in my shoes
And I can't shake the thought of you
I (21) get on, forget you
But why would I want to
I know we said goodbye
Anything else would've been confused but
I (22) see you again
I (23) see you again
