I Never Told You by Colbie Caillat

I miss those blue eyes
How you kiss me at night
I miss the way we sleep
Like there's no sunrise
Like the taste of your smile
I miss the way we breathe
But I never told you
What I should have said
No, I never told you
I just held it in
And now
I miss everything about you
I can't believe that I still want you
And (1)_____ all the things we've been through
I miss everything about you
Without you...
I see your blue eyes
Everytime I close mine
You make it (2)_____ to see
Where I belong to
When I'm not around you
It's like I'm alone with me
But I (3)_____ told you

What I should have said
No, I never told you
I just held it in
And now
I (4)_____ everything about you...
I can't (5)_____ that I still want you...
And after all the things we've (6)_____ through...
I miss everything about you
Without you
(Oh no, no...)
But I never told you
What I should have said
No, I never told you
I just held it in
And now
I (7)_____ (8)_____ about you...
I can't believe (9)_____ I still want you...
And after all the things we've been through...
I miss everything (10)_____ you
Without you
